

WEST VIRGINIA

**state
parks**

**WATOGA
STATE PARK**

Friday September 13th

11:00am Arboretum Fall Hike

Meet at the Brooks Arboretum Trailhead. We will be hiking the NE Loop of this historic CCC trail. Portions of this trail are steep and rocky, a walking stick is recommended. Please wear closed toe shoes and bring something to drink.

4:30pm Watoga History

Join us at the CCC Museum beside the Park office. We will take a tour of the CCC museum and take a short walk around the park office area to talk about the history of Watoga State Park and the Civilian Conservation Corp.

Saturday September 14th

10:00am Fall Nature Hike – Activities Building

A 2.5 mile loop hike along portions of Bearpen Trail, Lake Trail & Nature Trail. Please wear closed toe shoes and bring something to drink.

1:00pm Watoga Wildlife ~ River Critters

We will explore the Greenbrier River to learn about the critters that call the river home. Search for crawfish, hellgrammites & more. We will get wet so please wear appropriate footwear.

3:00pm Watoga Geology

Come to the swimming pool parking. We will talk about Watoga Geology and go on a fossil hunt. We may get wet so please wear appropriate footwear.

4:00pm Watoga Wildlife ~ Black Bear

Interested in learning about Watoga's most famous resident? Take a short 1/2 mile hike along the Nature Trail as we talk about Black Bear.

Sunday September 15th

3:00pm Hoot & Holler Owl Show

Three Rivers Avian joins us at the Activities Building for a live owl show. Come meet 4 species of native West Virginia owls live. Learn about the habitats, food they eat and how they benefit from Watoga's dark skies.
