

TWIN FALLS RESORT STATE PARK

Thank you for making Twin Falls Resort State Park your destination. Be sure to visit our new nature center, there you will find the Park Naturalist providing year-round interpretive, educational, and recreational programs on a variety of native flora and fauna, park history and other topics. All programs will be held inside the nature center unless otherwise specified. If programs should be cancelled or nature center hours change that information will be given to our front desk staff and posted outside the nature center.
