**KANAWHA
STATE FOREST**

On the following days, the KSF Nature Center will be closed or on reduced hours due to scheduled special events!

Thursday, April 17: The Nature Center will be CLOSED for an Outdoor Classroom from 8a-2p.

Saturday, April 19: The Nature Center will be CLOSED from 8a-1p for the Kanawha State Forest Foundation's OSBRA EYE NATURE WALKS. For a full listing of hikes, registration information, and pricing, visit the Kanawha State Forest Foundation's Facebook page!

Tuesday, April 22: The Nature Center will be CLOSED for an Outdoor Classroom from 8a-2p.

REMINDER! Pinecone Bird-feeders are on hold until September! Black Bears are more active in Spring, and birdseed is one of their favourite snack foods. To avoid attracting Black Bears, it is strongly encouraged that you empty/bring in bird-feeders at night, wait until morning to take out your trash, and make sure that all dog and cat food is brought inside. For more tips on Bear-proofing your yard and neighbourhood, come by the Nature Center!

APRIL NATURE CENTER HOURS!

Monday thru Friday: 8a-4p

Saturday & Sunday: 9a-5p

Everyone at KSF is looking forward to meeting YOU in the Forest!
