

## KANAWHA STATE FOREST

### **Monday, April 28th**

The Nature Center will be CLOSED all day.

### **Tuesday, April 29th**

Come to the Nature Center any time from 8AM-4PM to a tree ring craft with Naturalist Tiffany. While doing the craft we will learn more about what's inside a tree and what tree rings are.

### **Wednesday, April 30th**

Come to the Nature Center any time from 8AM-4PM for a fun flower craft. We will also talk about all the flowers that are blooming at the forest

### **Thursday, May 1st**

Spring Tree Bloom Walk- Meet Naturalist Tiffany 1PM at the Nature Center to go on a fun informational stroll through the Arboretum. We will be looking at the spring trees that are flowering and blooming.

### **Friday, May 2nd**

1P-4P Join Naturalist Jess in the Nature Center for a bead weaving demonstration and a discussion of trade beads!

### **Saturday, May 3rd**

Come to the Nature Center for a fun-filled day!

10AM-1PM- Animal mask making We will be making story book animals before the special event

2 PM Nature Center: Special Guest, Award winning Storyteller Bill Lepp for further details please check the Kanawha State Forest Foundation Facebook Page. Event is free and open to all ages.

### **Sunday, May 4th - Tuesday May 6th**

10A-2P Join Naturalist Jess behind the Nature Center and learn what bones can tell us about an animal's life! She will be cleaning Whitetail Deer bones from a Coyote kill. This presentation will be outdoors and subject to weather conditions.

**Everyone at KSF is looking forward to meeting YOU in the Forest!**

*almost heaven*
