Nature Based Programs

April 13th April 28th 2025

Be sure to visit the newly constructed Nature Center! There you will find the Park Naturalist year-round providing interpretive, educational, and recreational programs on a variety of native wildlife, park history, and other exciting topics. All programs will be held inside the Nature Center unless otherwise specified.

Sunday, April 13th

Nature Center Hours

12:00pm – 4:00pm

10:00am – Falls Trail Guided Hike Meet the Summer Naturalist at the “Falls Trail” parking lot for this guided hike. As we hike to the Twin Falls Resort State Park’s namesakes Blackfork Falls & Foley Falls we will discuss and examine pioneer history, plants & animals, and so much more along the way!

1:00pm – Nature Walk Meet the Summer Naturalist at the Twin Oaks Trail head parking for this short 0.25 mile stroll as we explore the nature at Twin Falls in springtime. This trail features a vernal pool and many interesting species of plants.

1:00pm – Wood Frog TALK Come to the Nature Center as we discuss this amazing species of frog. We will discuss and examine many topics such as identification, unique adaptations, and so much more!

2:30pm – Flower Portraits Come to the Nature Center to get your canvas and paints then head to the courtyard to find a flower and paint it. As we paint, we will discuss the benefits and importance of painting and drawing nature.

3:00pm – Diana Fritillary Butterfly Meet the Summer Naturalist at the “HorsePin Knob” Trail head parking lot for this program. As we hike this trail through varying forest types and wildflower fields we will explore this unique and threatened species natural habitat. As Springtime rolls in we should start seeing activity of the Fritillaries.

4:30pm – Lodge Tour Meet the Summer Naturalist at the Lodge Lobby to start this guided tour through the unique Twin Falls Resort State Park. We will discuss the life of Walter Gropius, the architect who constructed the Lodge and the unique feature around the Lodge.
