Friday, May 16th

1 PM: Want to find out which birds are singing? Come meet Naturalist Tiffany to learn how to use the Merlin App to identify birds and listen for native birds near the parking lot of the Nature Center.

Saturday, May 17th

Kids to Parks Day!

11 AM: Meet Naturalist Tiffany and Jess at the Nature Center to join us for a fun interpretive hike through the arboretum and group camp area. We will be looking at flora and fauna in the area and learn how to properly use a fuel guide. It will be a perfect day to bring the kids out to Kanawha State Forest. This event is open to all ages and is rated easy. The hike will last around an hour.

1PM: Join us for a second Saturday with Herbalist Emily Cloer! Emily is an herbalist who studied both through the Herb Academy and with a master herbalist for many years.

This workshop will feature the process of creating a poultice with foragable herbs native to West Virginia and Kanawha State Forest. There will be a herb nature hike following the presentation. The hike will be easy to moderate with frequent stops.

Sunday, May 18th

1PM: Join Naturalist Tiffany at Shelter 4 for a Davis Creek Critter Search. We will learn about the health of the creek and what all different kinds of critters we can find in Davis Creek. Open to all ages, nets will be provided, and please wear suitable clothes and shoes to maybe get into the creek.
