

KANAWHA STATE FOREST

Thursday, June 19th

Join Naturalist Jess for an Insect Inspection! We'll meet at the Nature Center and head out towards the Arboretum, where we'll look for different insects! Magnifying glasses and viewing boxes will be provided (all insects will be released after the program!)

Friday, June 20th

Roy Moose Presents: Native Snakes of WV
3P: Join us in the Nature Center for a special presentation from Roy Moose. You will learn all about our snakes that call WV and KSF home. You will also get to see some snakes up close. You may even get to touch a black snake!

Saturday, June 21st

1P: Meet at the Nature Center for a special presentation on milkweed and monarchs by Sheldon Owens

Sunday, June 22nd

10a: Join Naturalist Jess for a hike to Castle Rock! We'll go up CCC Snipe, Mossy Rock, and the portion of Saulter's Loop leading to the Castle Rock Overlook. We'll descend on the same route. Moderate difficulty - sturdy hiking boots and trekking poles, hiking sticks recommended.

Monday, June 23rd

1P: Meet Naturalist Tiffany in the Nature Center to learn all about the parts and functions of a tree and do a craft that goes along with the information.

Tuesday, June 24th

1P: Meet Naturalist Tiffany at the Nature Center to go on a stroll in the KSF Arboretum to learn more about forest habitats and what kind of animals call our forest home.

Wednesday, June 25th

Come meet Naturalist Tiffany in the Nature Center ALL DAY to do a fun Scavenger Hunt through the forest.

Thursday, June 26th

Salamander Trail Morning Hike
10A: Meet Naturalist Tiffany for a calm morning hike on the Salamander Trail. Please meet Naturalist Tiffany at the Salamander Parking Lot. We will be looking at all the beautiful things we can find on the trail and it will be interpretive.. Easy hike and all are welcome.
