

WEST VIRGINIA

**state
parks**

**KANAWHA
STATE FOREST**

Friday, July 4th

ALL DAY: Meet Naturalist Jess at the Nature Center for information on 18th century life in frontier Virginia!

Saturday, July 5th

10a: Pollinator Search!

Meet at the fishing piers near the forest entrance. We will be looking for all kinds of pollinators. Anything from butterflies, bees, beetles, wasps, and birds. Please bring bug repellent and a hat. (no tree cover)

Sunday, July 6th

3p: Whitetail Deer Talk!

Meet Naturalist Jess in the Nature Center for a discussion on whitetails and their place in Appalachian history.

July 7th- July 10th

The Nature Center will be CLOSED for the DEP Summer Water Camp!

Friday, July 11th

2p: Davis Creek Search

Join Naturalist Tiffany at the Salamander Trail parking lot for a fun and informational creek search. We will be looking for all kinds of critters that called Davis Creek home and the importance of creek health. Please wear clothes you want to get wet and water shoes. Nets will be provided.
