

Note from the Park Naturalist: Hello and welcome! We're so glad you've chosen Twin Falls Resort State Park as your destination. Be sure to visit our Nature Center, where the wild meets wonder. Whether you're here to explore our winding trails, discover native wildlife, or just soak in the peace of the natural world, you've come to the right place. Here, nature isn't just something to observe, it's something to experience. Listen for birdsongs in the treetops, watch for whitetails on the landscape and breathe in the fresh scent of earth and green things growing. Every visit holds something new, from seasonal blooms to migrating wildlife. My team is here to help you connect with the landscape, answer your questions, and share in the joy of discovery. Check out our upcoming programs and guided hikes below, there is something for all ages and interests.
