Night Sky Viewing

The optimal viewing location during the winter months is the Watoga Lake Dam.

There is (one) Youth Dark Sky Backpack and (two) Regular Dark Sky Backpacks available to check out for overnight guests at Watoga. We ask that you limit use of the equipment to one night so that others may get an opportunity to use the equipment. PLEASE take special care of the equipment while using it and the enjoy our night sky. Check at the Park Office for details.
