

CASS SCENIC RAILROAD STATE PARK

Come and visit the Cass Company Store and Shays Restaurant! Park naturalist is staffed seasonally to provide a variety of interpretive, educational, and recreational programs on the Park's natural and cultural history. The Company Store is open 7 days a week.

April 14, 2026

2:00PM WV White Butterfly Showcase Meet at the Company Store. The WV white butterfly is a small, rare, woodland butterfly found in Appalachian forests. We will learn some of the plants the butterfly depends on as well as the invasive garlic mustard that is causing declines of these Lepidopterans. One of the best ways to control garlic mustard is pulling up by hand, so if you're willing, we will put you to work on some of that.

April 15, 2026

10:00AM WV State Bird Special Meet at the Company Store. The northern cardinal is WV's State Bird. Take a hike around Cass to find these birds and learn more about them.

April 16, 2026
