PIPESTEM RESORT
STATE PARK

NATURE CENTER OPEN DAILY 11:00 AM – 5:00 PM

Monday, September 14th

10:00 am- Bird Walk - Meet the Naturalist at the Nature Center for a stroll to look for our feathered friends.

2:00 pm- Spider Talk - Come by the Nature Center to discover more about spiders. Learn facts about how they hunt, spin silk, and help the environment. Then meet a live spider up close!

4:00 pm- Birds and Bugs - Come by the Nature Center to learn about camouflage and adaptation and play a game where you get to be the bird.

Tuesday, September 15th

10:00 am- Tower Walk - Meet in the tower parking lot for a short walk up the paved path to the Bolar Observation Tower for a great view of the surrounding area and find out just what a MOTUS tower is.

2:00 pm - Evergreens- Meet at the Nature Center for a walk around the grounds and learn how to identify five species of evergreen trees found in West Virginia.

4:00 pm- Nature Journaling - Come by the Nature Center to learn how to express your love of nature through guided worksheets. Make your own take-home journal so you can continue to express your love of nature in your own way.

Wednesday, September 16th

11:00 am- An Extraordinary Ordinary Moth- Meet in the Nature Center to hear a storybook story about a moth. Then color a picture of a moth any color you want. A great activity for small kids.

2:00 pm- It's for the Birds - Stop by the Nature Center to check out the bird feeder area and discuss topics on different types of feeders and foods, tips on identification, and for suggestions about different digital birding media and books.

4:00 pm- Hummingbirds: Magic in the Air Come by the Nature Center to learn how they look, how they fly, the way they are built for survival, and about their migration journey.

Thursday, September 17th

2:00 pm- Around One Log- Meet at the Nature Center. We will explore around and inside one old log and its microhabitat. What will we find? Roly pollies, beetles, ants, spiders, or more??? And what exactly is a roly poly? Come by and join us to see!

4:00 pm- Bird Bingo - Come by the Nature Center for Bird Bingo and learn some interesting bird facts.

Friday, September 18th

10:30 am- Wildlife Quiz Game - Meet at the nature center for a quiz game about North American wildlife.

4:00 pm- Naturalist in the Lodge - Keep an eye out for the roaming Naturalist in the lobby of McKeever Lodge. You can ask questions, receive information about the trails and maps or just visit.

4:00 pm- Snake Talk - Come by the Nature Center to learn about some snakes of West Virginia and for a chance to touch a real snake.

6:00 pm- Gaga Tournament - Meet at the Gaga Pit at the campground for a chance to win a prize.

7:00 pm- Char Cloth and Fire Starting - Meet at the fire pit swings at the campground to learn how to make char cloth, a very helpful item for starting a fire. Practice your skills making a "bird nest" and using a primitive fire striker. Afterward enjoy "Pipestem style" s'mores.

West FURginia State Park Ranger Program

As easy as 1, 2, 3!

1. Stop by one of 8 State Park Nature Centers to pick up your West FURginia Ranger checklist.
2. Complete the five must-do activities with your furry friend.
3. Swing back by a Nature Center to get your official certificate & FREE West FURginia Ranger dog tag.

NATURALIST PROGRAM! ASK
FOR YOUR OWN COPY OF THE
WEST VIRGINIA STATE PARKS
JR. NATURALIST JOURNAL!**

Sunday, September 20th

8:30 am- Sunday Service- Join us in the picnic shelter at Park Headquarters for Sunday Service.

10:30 am- Woodland Bingo- Meet at the Nature Center to look for items on your bingo card in the woods and along the trails.

2:00 pm- Critter Crawl- Meet at the Nature Center for a stroll around the grounds to see what crawly critters we can find in and around the area.

5:30 pm- Deer Stroll- Meet at the Arboretum (across the footbridge at the lodge) to learn more about the white-tailed deer; how they communicate, find food, avoid predators, and how they are able to thrive in our environment.

Meet the Monarchs!

Stop by the Nature Center any time to meet our monarchs. We will begin raising monarch butterflies from eggs beginning the week of Sept. 7th. Discover the amazing life cycle of the monarch—from tiny egg to caterpillar, chrysalis, and beautiful butterfly—and learn about their incredible migration journey.

- Meet monarchs and observe them up close
- Learn about their life cycle and migration
- See the different stages of development
- Learn why milkweed and native plants are so important
- Learn more about the monarch watch tagging program

Full Harvest Moon Hike

7:15 pm- Meet @ the Golf Pro Shop

Step into the night and experience the trail in a whole new way during our Harvest Moon Full Moon Hike. As the September full moon lights the landscape, we'll set out together for an evening of nature, connection, and a little nighttime adventure.

The Harvest Moon rises around 10 minutes before the sun sets at 7:17 pm. Free, Fun, Family Event! Dress for the weather and bring a flashlight. But the moon may be so bright you won't even need one! Friendly, leashed pets are welcome, too!

Sunday, September 27th

8:30 am- Sunday Service- Join us in the picnic shelter at Park Headquarters for Sunday Service.

11:00 am- Stream Search- Explore the hidden world of the Bluestone Scenic River with this hands-on freshwater ecology program! Meet on the patio at Canyon Rim Center. We will ride the tram down to the river to collect and identify aquatic insects and other critters and learn how these small creatures help tell the story of stream health. Participants will receive a special coupon for the tram ride. Please allow 10-15 minutes for your tram ride down. **Good shoes are required, water shoes are highly recommended.****

2:00 pm- Spider Talk - Come by the Nature Center to discover more about spiders. Learn facts about how they hunt, spin silk, and help the environment. Then meet a live spider up close!

5:00 pm- Deer Stroll- Meet at the Arboretum to learn more about the white-tailed deer; how they communicate, find food, avoid predators, and how they are able to thrive in our environment.
