First Meeting: Saturday 11/21 2p-4p

The KSF Nature Center is hosting book club meetings this Fall and Winter and all are welcome to join in the fun! Our first book is **Patrick W. Gainer's *Witches, Ghosts, and Signs: Folklore of the Southern Appalachians*** (published by West Virginia University Press). First published in 1975, this book is a collection of traditional lore including folk remedies, agricultural signs, ghost lore, and tales of witches! Winter is traditionally a time for sharing stories and tales, and we're looking forward to diving into these with you!
